SH 130 Concession Company, LLC is working in collaboration with the Texas Department of Transportation to finance, develop, design, construct, operate and maintain segments 5 & 6 of SH 130. Segments 5 & 6 of State Highway 130 are a 40 mile stretch of highway that will connect IH 10 just east of Seguin with SH 130/SH 45 SE toll roads in south Austin. The project will take three years to construct and provide four new main lanes (two northbound and two southbound) between Lockhart and Seguin. For more information, go to www.mysh130.com.
