SH 130 Concession Company, LLC is working in collaboration with the Texas Department of Transportation to finance, develop, design, construct, operate and maintain segments 5 & 6 of SH 130. The project will take three years to construct and provide four new main lanes (two northbound and two southbound) between Lockhart and Seguin. The new highway addition will run between SH 45 and US 183 just south of Austin and IH 10 in Seguin. For more information, go to [www.mysh130.com](http://www.mysh130.com).
